CAYMAN ISLANDS

## **NOTICE**

### **CERTIFICATION OF DECLARATIONS/AFFIDAVIT**

In view of the tropical storm, a decision has been taken to allow the submission of declarations/affidavits to the Registrar of Companies without being certified by a notary as required by S7 of the Voluntary Declarations Act (1998 Revision).

The foregoing will take immediate effect and will expire at the close of business on the day on which the Cayman Islands Government offices re-open.
